

# PVCOACITY PVC TILE CLEANER

## CONCENTRATE LIQUID DETERGENT

Versatile. Can be used safely and economically for all types of hard surface and floor cleaning. Pvcocity Cleaner is a safe-to-use formula that removes oily and greasy soils. Mild pH with no harsh acids or alkalis. Contains a pleasant water-based scent.

## APPLICATIONS

Pvcocity Cleaner a multitude of uses in the industry, the home, workshops, garages, public buildings, and almost all areas. A small addition to water is enough to loosen and rinse grime and grease and leave surfaces clean and residue free.

It can be used through a Floor Scrubbing Unit at a dilution of 1:30. It is recommended that Pvcocity Cleaner Defoamer is used for this application as the product is high foaming.

## METHOD OF USE

For normal Mop and Bucket use a dilution of 1:20 is recommended. Apply Pvcocity Cleaner to the floor, allow the product a few minutes to loosen dirt and grease, then rinse or mop clean. Where necessary use hot water for faster results. Self-evaporating and thus leaves no film residue when dry.

The recommendations contained herein are based on laboratory test and in-field use experience, and are to the best of our knowledge, accurate. Since conditions of actual use are beyond our control, all recommendations are made without warranty, express or implied.
